CHU'S LIFE

You are what you eat.

This is an actual scan of Lady Chu's refugee visa. It was used as the branding for misschu in 2007. Nga's Grandparents migrated from Hanoi to Laos in the 1930s.

Born in Luang Prabang, Laos in 1970, Nga (Nahji) and her family escaped the Pathet Laos Regime in 1975. Inhabiting various Thai refugee camps over a three year period, the Chu family eventually became one of the first Vietnamese / Laotian refugees to settle in Australia in early 1978. Lady Chu represents the most recent manifestation of the desire to create a hospitality experience that recalls Nahji's early childhood experiences, drawing on her grandparent's

own Chinese and Vietnamese heritage and the farmers afflicted by the locust plagues, who took to the streets with the first incarnations of Chinese and Vietnamese street food, Lady Chu goes into the history of Vietnamese food being heavily influenced by the French when they first discovered it in 1770 calling it Cochinchina. Lady Chu is the journey that Nahji has taken to arrive today as a proud Australian and an Ambassador for Refugees.
